

A TIMELY WORKSHOP FOR PARENTS, GRANDPARENTS AND
ANYONE CONCERNED ABOUT CHILD SAFETY

“Keeping kids and teens safe on the Internet”

Great topic for parent groups

Adults will learn

- what kids/teens need to know about personal safety
- how to keep kids/teens safe on the Internet
- how new laws on sexting affect juveniles
- how can parents help teens manage their online reputations
- how to spot and stop cyber bullying

Fact: The Center for Missing and Exploited Children
“Cyber Tip Line” gets 1,500 reports a week. At least 90 percent
involve online activity.

We cannot ignore this aspect of child and adolescent safety.
