

DONATIONS

We need your help!

Jordan Ministry is an Arizona non-profit corporation. We rely on grants, donations, and contributions for a good portion of each year's budget and are heavily subsidized by the Society and Sisters of the Divine Savior in Wisconsin. Because of the generous work of our Advisory Board, we have a fund-raiser each year.

JMT goes anywhere in our large diocese, even when the requesting group is unable to pay us. To continue our ministry, we need financial help from people like you who believe in our mission.
