

FRIENDS' RETREATS

You've had coffee a hundred times, emailed and talked on the phone a thousand! But we invite you to come with your friend for a half-day retreat of "sacred conversation" with the Jordan Ministry Team at the place of your choice. Find out there are things you have not shared, surprising as that might be, that could further enrich your relationship!

Call us at 623-2563 with a time in mind!
