

### **Safe Environment Workshop for educators and school/parent volunteers:**

Identify risk factors and protective factors in young peoples' lives, information on Internet safety and suicide prevention. Teachers and parents learn to incorporate safety at all age/grade levels. This two hour workshop fulfills Diocesan Compliance and Level I requirements. Workshop is available in English or Spanish.

### **Internet Safety:**

What can adults do to safeguard kids of all ages on the Internet? Up to date information will be given on cyber bullying, phishing and sexting. This half hour workshop is for principals, teachers and parents on identifying unsafe practices on the Internet.
